

The 33rd Annual National Organics Recycling Conference
CELEBRATING VICTORIES in ORGANICS RECYCLING !
For Healthier Soil, Healthier Food & Climate Protection
Wednesday September 27 – Friday September 29, 2023
Montreal, Quebec

Your business plays an important role in the success of organics recycling in Canada.

Join the leaders in organics recycling as we rally around the latest victories and advances which are adding to our industry's resourceful leadership in waste diversion, local environmental stewardship and manufacturing, soil productivity and nutritional health, water conservation, climate change mitigation and resiliency.

On the occasion of the 33rd Anniversary of our national conference, The Compost Council of Canada is inviting vendors of organics recycling technologies, equipment suppliers, consultants and program services to be part of our Conference and Exhibit area, showcasing products and services that support diversion goals and sustainability.

INTERESTED IN EXHIBITING?

Exhibit Fees:

Members: \$1300 (plus QST) Potential Members: \$1600 (plus QST)
