34th Annual National

Organics Recycling Conference

Wednesday October 2 – Friday October 4, 2024

Niagara Falls, Ontario

Your business plays an important role in the success of organics recycling in Canada. Our upcoming national organics recycling conference offers a great opportunity to showcase your work, products and services that support our industry.

Please join us.

INTERESTED IN EXHIBITING?

Exhibit Fees:

Members: \$1300 (plus HST) Potential Members: \$1600 (plus HST)

Includes **one** registration fee to the conference sessions. Also includes our tour day as well as meals/breaks, Welcome Reception, dinner event and acknowledgement on the conference agenda as well as on the Council's website: **www.compost.org**.

Up to 3 additional exhibit booth representatives from your company may be registered at **\$333 (plus HST)** which includes our tour day as well as meals/breaks, Welcome Reception, Dinner event and conference sessions.

All exhibit spaces are 8' deep x 10' wide, with two chairs, skirted table and one electrical outlet provided. The exhibit area will be in the main session room. This will help maximize access to registrants while also limiting potential downtime in the exhibit area (we will be creating longer breaktimes and lunch with the exhibit area not being open during the sessions).

We are pleased to work with you in advance should you require any additional technical or equipment support.

Please contact Danielle Buklis: info@compost.org or 416-803-0421 to reserve your booth!

Organics Recycling is the greatest of solutions.

Whether your focus is waste diversion & landfill management, greenhouse gas reductions, soil health & productivity, green energy, water & biodiversity conservation, carbon sequestration, local environmental stewardship or climate change mitigation & resiliency,

Organics Recycling does it all.

Come join us at our 34th Annual Organics Recycling Conference

Tours + Presentations + Exhibits + Networking =
